November 9th Entertainment/Business Meeting

That's right, our next club meeting is a joint Entertainment and Business meeting and will be held at the Addison Library on Nov. 9th starting at 7:15 PM sharp. Note we said 7:15 PM. That's because we have a lot to do at this meeting. First, we will be showing "Hot Stuff II" the video film which is quite interesting. Lots of good building tips. The film will start at exactly 7:30PM! It will run about 50 minutes. After the film, we will have elections of officers ( see article on Club Elections). Then we will give away 3 turkeys ( no not your officers). Members must be present to win!

All in all, we have a lot to do, so please be prompt. Don't miss this meeting, it's probably one of the most important meetings of the year.

Note: THERE WILL BE NO MEETING ON THE 4th WEDNESDAY OF NOVEMBER. Since this date falls on the 23rd which is the night before Thanksgiving, the meeting has been cancelled.

So.....there will be only 1 meeting in November, on the 9th!!!

Vice-President	Roger Anderson
	Mike Kukovec
Secretary:	Joe Marine
Treasurer:	Steve Schoening

Board of Directors:

Gerry Ruschke  
John Fahr  
John Nicaastro  
Don Richels  
Walt Zenkner

Only 4 Board of Directors can be elected. Write in candidates will also be accepted. The elections will be held at the Nov. 9th meeting.

Meeting Minutes

Our October Business meeting was held on the 26th with 25 members and 1 guest present. Nominations were made for '84 club officers ( see preceeding article). Ben Anderson received his wings and was congratulated by the members. Steve reported on EXPO 83 which on Sunday seemed to be more like Saturday night at the fights. The shows appear to be getting smaller with less participation by manufacturers. Also a lack of a good area to have

flying demonstrations for the public contributes to smaller attendance by the public.

Gerry Ruschke suggested a "traveling trophy" to be kept by the winner of the Barnstormers vs. Lisle Aero annual fun fly.

22 members have ordered 28 Swizzle Sticks. The kits have to be built as is but can be modified to incorporate ailerons and a steerable tail wheel. Engine size cannot be any larger than a .40. We plan on having both a "static" contest and also a "swizzle stick" flying contest during the summer.

John Lange reported that channel 52 could cause problems along with 44 due to outside interference.

Bob Bostrand, one of our former members, passed away in early October.

Raffle winners were:

Tim Meranda...Hot Stuff & Props

John Sukup...Sanding T & Props

Bill Booth...Epoxy & Props

Only one name, Ed Kerr, was called before Carl Schorder won the "Members Present Only" A's \$5 gift certificate.

Meeting adjourned at 8:55 P.M.

#### President's Farewell

I can't believe it has been 2 years since I first took over as President of the Suburban R.C. Barnstormers. But as they say, when you're having fun, time goes by fast. And to tell you the truth, I've had a great time as President. But all that happened because we are a great club, unique because we are devoted to helping others and flying just for the fun of it. None of this could have happened without a lot of help. So, I'd like to personally thank as many club members as possible.

Chuck Weibler for working very close with me and for writing, typing and publishing the Newsletter with me.

Mike Kukovec for taking care of the field, handling the club fuel and assisting as club V.P.

John Bednarz for his duties as Treasurer and providing his VCR equipment at the field and showing the tapes at the meeting.

John Sukup who was in charge of the Fun Flies (and did an outstanding job, the best we've ever had), taking care of the food, making up the Impound Stand frequency flags, and numerous other helpful hints.

Dick Smith for always helping at the field and educating us on various aspects of our hobby, such as servos.

John Fahr for always helping at the field and being one of the strongest advocates of keeping the club a "fun" club.

Don Richels, Charlie Beck, and the other flight instructors for helping our new pilots.

Joe Marine for working with the Forest Preserve District and getting our Fun Fly permits.

Mike Barela for handling the name tags.

Mike Pascucci for being a truly outstanding example of a Barnstormer by helping countless people at the field.

Gerry Ruschke for bringing a touch of R.C. class to our club (congratulations again for winning the Great Planes Super Sportster 40 contest) and wearing our club jacket with pride.

Dorothy Ruschke for assisting at the Fun Flies, putting up with Gerry and volunteering to become chairperson of the women's chapter of the Barnstormers.

Ron Bukowski for being our representative at the Greater Chicagoland R.C. District.

John Lange for providing us with frequency updates from time to time.

Wayburn Adams for always helping out at the Fun Flies.

And to all others who helped out and supported the club by showing up at the field for the Fun Flies and at our meetings for keeping the club alive.

And this club is alive and well; we've grown to 75 members in the last 2 years with more and more members getting involved. Thanks again for 2 great years.

Now Beer and Pizza for everyone!

Thanks

Steve
